

Here are directions for getting to Design Group International.

I suggest that you try to park in Bennet Street, the Circus or Brock Street in that order. You may be lucky and find some space in Gay Street but if you get into Gay Street from the Circus and there are no spaces you will have to get back by going around Queen's Square - the dreaded one way system!

Gay Street, Brock Street, Bennet Street and the Circus allow parking with a parking ticket (£1 per hour from the meter) We can provide you with coins or reimburse you on arrival.

DIRECTIONS

Leave M4 at Junction 18 - A46. Follow A46 into Bath for several miles.

At bottom of hill (dual carriage way section) is a major roundabout. Take slip road onto roundabout. Take 3rd exit - A4 London road (to Bath city centre)

Pass over 3 sets of traffic lights.

Straight on at mini roundabout (not Walcot street)

At next set of lights (The Paragon), turn sharp right up steep hill (Lansdown Rd)

Take 2nd left into Bennet Street.

Straight on to the Circus, first left for Gay Street.

Number 19 is 2nd office on left, if going down the hill.
